ROUTE

You will depart from the club « le portail n°3-21250 Pouilly sur Saône » at 9.30am and head downstream along the two islands « Ile du pont » then around the « Ile au boeufs ».

You will navigate along the hotel Dieu, Saint Martin church and the city quays, then turn around and navigate on a large Saône arm, which was used for transportation before the construction of the great canal and is now free from commercial traffic.

You will pass by two other islands, the « Ile Boilleau », then the « Ile Fourmi » and discover the castles of Pouilly and Auvillars, before arriving at the heart of a charming village by the ancient lock: Lechatelet. You will then turn back towards the nautical center to gather on the river bank for drinks and a meal composed of local specialties from the beach restaurant. The end of the day can be spent visiting the «Hôtel-Dieu» or wine tasting in a nearby wine cellar.
