

22 & 23 JUNE

2 DAYS / 43 KM

ROWING LEVEL 

“LA SAINTONGEISE”

A rowing tour on the “most beautiful river of the kingdom” according to Henri the IVth, in the heart of green landscapes, where nature lovers will be able to discover otters, storks, or kingfishers and enjoy the wet flood meadows and the riverbanks with alders and ash-trees. Moving with the meanders of the Charente river, you will discover many monuments and remains dating from the 11th to the 20th century.
