You will start from the beach called "Bijou Plage" and head towards the famous "Iron Mask" prison on Sainte-Marguerite island. You will row along the island until reaching its eastern endpoint then pass between the two Lerins islands surrounded by turquoise waters. You will then go back to Cannes before heading west towards the Esterel red rocks and Cannes-Mandelieu Club. You can also visit the Fort on Sainte-Marguerite island or the monastery on Saint-Honorat, or else wander on the "Croisette" with its Palais des Festivals, and visit the old city of "Suquet" famous for its Castre museum and its many typical restaurants on Saint-Antoine street.

## PROVISIONAL PLANNING

Departure from the end of the Palm beach in Cannes, crossing between the Lerins islands (Sainte-Marguerite and Saint-Honorat islands), return to the Croisette, then heading towards the Esterel and the Siagne mouth in the La Napoule gulf.
