2 DAYS / 44 KM

**ROWING LEVEL**

## ROUTE

Departures and arrivals will all take place on Excenevex beach both days. The tours follow the coasts of the Lemane lake. On Saturday you will head toward Geneva until Tougues pier in the town of Chens sur Léman, on the frontier of Switzerland. On Sunday morning, you will enjoy a good breakfast then head towards Thonon then until St Disdille. While still following the coast, you will gaze on the horizon upon the swiss mountains called the "Dent d'oeche", the "Cornettes de Bise" and "Monts Valais".

## SIGHTSEEING

All along the way you will discover the lake's rich bird population: ducks, swans, cormorants, herons, coots, grebes, kestrels...) and enjoy the architectural beauty of the many castles (Yvoire, Beauregard, Coudrée, and Montjoux) and typical villages (Nernier and Yvoire) and their harbors (Sciez and Thonon). The swiss banks and the surrounding mountains offer such an amazing landscape you will put down your oars and enjoy the view!
