

# «COURREAUX DE GROIX» RAID

 **JUNE 08 & 09**  
2 DAYS / 39 KM

 **ROWING LEVEL**

## ROUTE

You will start from the nautical center in Kerguelen, go around the Groix island and along Pen Men, overlooked by a lighthouse built in 1839.

You will finally arrive in Port-Tudy, the island main port of the island, and discover :

- the wild coast and sites such as the "Trou de l'Enfer" (Hell Hole) and Port Nicolas...
- Locmaria, first harbor of Groix, which was the most populated village until the booming of Port Tudy in the 1880's. You will also make a stop in Port Tudy ;
- Tip of « Les Chats » (cats) : light colored show on the multiple rocks,
- Grands Sables beach : A unique European convex beach which moved by 160m in 2 years.

On the next day, you will depart from Port-Tudy and head towards the Errants and Lorient harbor, surrounded by Gâvres peninsula, Port-Louis and the beaches of Larmor-Plage.

## SIGHTSEEING

Come and visit the island of Groix, just a few leagues away from Lorient. Groix is an authentic natural and well preserved island, where fishing cabins are made of rocks and painted bright. No traffic lights, only one roundabout and so few cars... it's paradise ! You can also choose to discover Groix by bike along the 40 km of paths throughout the island and its 17 villages. Let the atmosphere of the island surprise you, and enjoy wandering around on the village' small streets and coastal paths. Take time to discover the bright houses, the bell tower and its famous tuna fish. You can conclude your afternoon discovering Port-Lay where you will pitch your tent and taste local specialties while admiring the sunset. It's magic !
