ROUTE

This three days long tour in the Basque Country will take you, as mentioned in its title, on a trip along three rivers : the Nive, the Adour and the Gaves Réunis. On the first day you will wander on the Ardou and the Gaves Réunis from Saubusse to Peyrehorade. You will see beautiful typical houses and centenarian trees all along the way. On the second day you will go down the Adour river until you reach the club's pontoon, after passing through the Petit-Bayonne area, which was the king's privateers' favorite. On the third day, you will take a stroll on the little river (Errobi in Basque) across an enchanting landscape. You will sleep in the Collège Saint Bernard, a beautiful typical mansion in Bayonne. You may easily visit the city and its touristic areas along the river and its smells of freshness and wood fire cooking.

SIGHTSEEING

You will enjoy the festive atmosphere of the bunkers sheltered in Vauban's rampart (local must-see of the fortified city) and a festive closing meal to the sound of local songs. Welcome is not an empty word on the little corner of paradise near the mountain. The moment you arrive in Bayonne, leave the car and suitcase then let yourself be carried away. Your hosts will undoubtedly give you a warm welcome and do everything they can to please you. If you're lucky enough for the sun to shine on you, you may never go back home... or else keep coming back here!
