

BLUE COAST TOUR

This tour was designed in 2016 to prepare for the « Marseille-Calvi crossing» (230 Kms). Since then, the AviSourire club keeps organizing the same tour to promote the beauty of the “Blue Coast”, which takes you along fragrant hills and a coastline indented with numbers of coves, capes and beaches. This panoramic route will take you at the heart of protected rocky inlets with a bathing stop on the beautiful Verdon beach. Many local must see await : the Vesse, Niolon and its small port, Erevine island, Méjean and Figuières calanques, le Rouet, Sausser les pins...
