ROWING LEVEL

ROUTE

Take part in a unique adventure in Gallo-Roman country, on the path to discover the meanders and secrets of the Rhône river. Following our glorious ancestors, you will row in a beautiful landscape of crystal-clear rocky hills! Along the river you will also admire St Romain en Gal archeological museum, gaze at the Tour des Valois in Ste Colombe and Pipet Chapel on the opposite bank, but also the ruins of the medieval castle of the Bâtie and the antic theater and cathedral in Vienne. After passing Vaugris dam, you will gaze upon the castles of Ampuis and St Alban du Rhône, surrounded by vineyards all along the way. At starboard you will see the leisure harbor of the Roches de Condrieu before discovering the town of Condrieu. The tour will end with a bucolic picnic on the banks of the Rhône, in Ampuis, including a wine tasting. Diner in St Romain en Gal will gather the clubs around local delicacies.

SIGHTSEEING

This tour takes place in an area filled with history and savory win... culture. The Rhône is a majestic and impetuous river lined with Vienne and its surrounding villages, which are filled with archeological treasures. Condriot and its surrounding contain many historical must-sees which vary from 16th century old country homes to roman ruins. The whole journey is lined with vineyards clinging on the hills of the left (Vienne wines) and right banks (Côte Rôtie). What better way to discover a region than adding wine, architecture and culture to a sporting event on a nice pond? And for those who are fond of music, don't miss out on the opportunity to attend the famous jazz festival in Vienne.
