

BETWEEN TWO RIVERS

 **JULY 10 TO 14**
5 DAYS / 152 KM

 **ROWING LEVEL**

ROUTE

This tour will take you from “La Roche Bernard” to Nantes and was largely enjoyed by previous participants for its organization and conviviality. In the heart of nature you will row along the Vilaine then take the canal from Nantes to Brest and reach one of the most beautiful French rivers : the Erdre !! This tour is accessible to rowers with a year of regular practice. The biking tour goes along the canal, and is therefore quite easy.

SIGHTSEEING

You will enjoy very different landscapes : planted banks, meadows, cliffs and castles. During the two half days biking you will discover the locks along the canal. Meals, cooked by volunteers, will amaze your taste buds and initiate you to the local specialties. Evening games, festive meals and fireworks will enliven your stay. So as to preserve the legendary cosines of our tour, the number of inscriptions is limited to 60.
