

## BLUE ROAD OF SALT AND FISHERMEN

A unique rowing experience in the historical and culinary trail of the The Blue Road of Salt and Fishermen (Route Bleue du Sel et des Pêcheurs). You will sail the exceptional setting of the regional natural Park of the Narbonnaise en Méditerranée, located at the source of the Canal du Midi, and ranging from Port-La-Nouvelle to Gruissan Salines, either by sea or the Canal du Midi depending on the weather. This tour is part of the European cultural itinerary Mer & Terre, part of the « Cultura Via ODYSSEA® » label. It highlights the way of life of the harbour-towns, their sailing lanes, the natural preserves, the heritage, the culture and the local know-hows. Enjoy the festive and authentic atmosphere! The tour also includes a culinary hiking trail. It starts in the Palme saline, goes through the Sainte-Lucie island in Port-la-Nouvelle, and ends the Gruissan Salines.
