ROUTE

You will leave from the «Palm Beach» beaches, and head towards the iron mask fort on Saint Marguerite Island. After a small tour in Cannes' bay, below the Palais des Festivals, you will head towards the little hill at the feet of Mount Esterel. You will then enjoy some peace and quiet going back up on the Siagne before landing at the club.

You may visit the fort on Sainte-Marguerite Island or else the monastery on Saint-Honorat Island. City lovers can enjoy a stroll on the Croisette among hotels, fancy shops and Palais des Festivals. Whatever you choose do not forget to pay a visit to the « Suquet », the old city with its Castre museum and the numerous typical restaurants on Saint-Antoine Street.
